Schedule for Friday – July 15th: 8-11 am Student Leadership
Noon – 3 pm: Leadership and Rookies

Band Camp Daily schedule:
8 am – Noon: outside
Noon – 1 pm: lunch
1-3 pm: sectionals inside

Items Needed for Camp:

- Thermos/jug for water breaks (or sports drink) or camelback
- Shoelace or lanyard for dot book (dot book provided at orientation, cost covered by your dues)
- ½” 3-ring binder with 50 plastic sheet protectors
- Lyre (A representative from a music store will be at orientation with this and other items)

What to Wear/Bring:

- Shorts, light colored clothing & comfortable sneakers (NO long pants & NO sandals/flip flops)
- Hat or visor (recommended)
- Sunscreen (highly recommended)
- 1 case of 24 bottles of water (Please either send with your student to band camp or bring with you to the orientation meeting on 7/14).

Important: Students should arrive having eaten a decent breakfast and be well hydrated as they will be working hard in the heat and their bodies will need the energy.

The report time of 8 am means that the band will be lining up at that time. Therefore, arrival time is 7:45 am. All students will be served a healthy lunch (by volunteers) at noon (no additional charge, cost covered by your dues) and a healthy snack at 3:00 pm.

Please be considerate to our chaperones that have been at practice with your student for more than 3 hours and arrive early or on time to pick up your child.
