**CHAPERONES / FIRST AID**

**CONTACT: Lori Van Buskirk**

**CHAPERONES:** provide general adult supervision of Band members. They prepare jugs of water and cups (provided by the band) in different shifts during Band Camp, after School practices, and at games and competitions. Some are asked to ride the Bus to and from games and Competitions.

**FIRST AID:** as many Parents as possible should have first aid experience. First aiders attend practices and are available to any student in need. There will be a "First Aid" class offered this Fall.

**LUNCH & SNACK SERVERS**

**CONTACTS: Toni Breaux – Narjis AbuAkel - and Nimmy Jay**

Volunteers to serve lunch and snacks to Students each day during Band Camp and on days we travel to Competitions.

**PIT CREW & STRAY CATS**

**CONTACT: David Lowry**

Volunteers load and unload the truck and equipment trailer for away games, and help set up the front ensemble for home games, half-time shows, and competitions. A great way to stay near our Band kids!

**CONCESSION STAND**

**<<< CURRENTLY OPEN – WE NEED SOMEONE TO STEP UP >>>**

Parents sell concessions during our (5) home games. The Band Boosters are responsible for the Concession stand on the Visitors side of the field. Lots of fun!

**FUND RAISING**

**CONTACT: Tricia Gallagher**

Several of our Fund Raising events have already begun. There are several opportunities to help your Student raise money to defray the costs involved in being a Band member.

**UNIFORMS**

**CONTACTS: Linda Wettlaufer and Mary Frances Katz**

Students are required to have a formal and informal Band Uniform. Orders must be placed at Orientation to help us take advantage of lower costs (group ordering). If you can sew a button, mend a hem, or help with slight alterations ... we'd love to have your help this year!

**TREASURER**

**CONTACTS: Wayne and Lisa Edwards**

Collects all dues and fees associated with the DHS Band Program. Please keep your dues up to date.
